

Drop Off Form

If dropping off for a routine exam (yearly) please let us know if there is anything additional you would like us to check while your pet is with us. If you would like heartworm or flea and tick medication please let us know which kind you would like. We will be more than happy to go over the various options available.

- Proheart 12 (once a year heartworm prevention injection)
- Proheart 6 (every 6 month heartworm prevention injection)
- Simparica Trio (once a month tablet that does heartworms, fleas, ticks, roundworms, hookworms)
- Interceptor Plus (once a month tablet for heartworm, roundworm, hookworm, whipworm, tapeworm prevention)
- Heartgard (once a month block chew for heartworm, roundworms, hookworm prevention)
- Triheart (once a month tablet for heartworm, roundworm, hookworm prevention)
- NexGard (once a month tablet for flea and tick prevention)
- Bravecto (once every 3 month tablet for flea and tick prevention)

If your pet is sick or hurt, please take a moment to check off any symptoms your pet may be having. Please let us know the duration of the symptoms as well.

- Lethargic
- Vomiting
- Diarrhea
- Constipation
- Not eating
- Not drinking
- Limping, if so which leg:
- Not Jumping
- Check growth, if so where located:
- Laceration (cut), if so where located:

We try and treat your pet as conservatively as possible but there are times when we need to do bloodwork, x-rays, or sedation to diagnose your pets health condition.

- Ok to do bloodwork if needed
- Ok to do x-rays if needed
- Ok to sedate if needed
- Please call before doing any additional services
